Mon cher David,

Are you able to send me the Terms and Conditions of GFM and the legal framework?

I will 'think outside the box' and see if I can find a hook.

Bonne suite de fin de semaine.

Ronald

External Email – Confirm Sender and Beware of Links and Attachments

Salut Ronald,

We have reviewed the Terms and Condition of GFM and the legal framework. Given that the money does not "belong" to the organizer of the campaign and the fact that the donations were made for specific purposes (provision of fuel for the initial travel and distribution of any surplus to unspecified veterans' charities), the distribution for purposes other than those for which the donations were made does not appear to be something within GFM's authority. In effect, it operates as a trustee and there does not appear to be any legal basis on which to effectively "seize" or attach the donations for payment of any government costs, municipal or otherwise.

If you've got a different idea, I'm all ears!

David

Salut mon David,

Are we making an application for payment of all of the City's additional police expenses to the Fund?

Let's get her done. I am ready to do it pro bono.

Laisse moi le savoir. Bonne fin de semaine!

Ronald
